

S023/041

From: Tom Munson
To: Whedberg
Subject: mamouth mine S023/041

Mr. Katona called me this morning and informed me of the fact that he was not turning over his personal notes or the company notes on the Mamouth Mine until the Court case between himself and Mr. Hansen is farther along. This he stated was on the advice of his lawyers. He has submitted the transfer documents and will write a letter explaining the situation.
